BANAWAY,

DERCUTIVE OFFICE, EDITOR MISSISSIPPIANA Owing to the diffihies which have occurred to the execution of lice to send in the lists of volunteers, and by the " act to create a fund for the support of destitute fam lies of volunteers in this State," and which have delayed the distribution of the fund by the auditor, to the various countles, I have builted the whole subject to the attorneygeneral. I herein inclose his opinion, which ou will please publish as an answer to all comunications to the auditor and myself, in refer Very respectfully, Jons J. Petrus.

THE ATTORNEY GENERAL'S OPINION. ATTORNET GENERAL'S OFFICE, ) onorab e.Jo n.J. Petrus, Governor, etc. :

My attention has been called, by yourself and auditor, to the act of the 16 h of December. 1861, entitled " an act to create a fund for the us port of destitute families of volunteers in this State, and for other purposes" I um inormed that the sheriffs in several counties have, up to this time, failed to make actilements with the auditor of the tax collected by them, persu ant to the directions of said act. I also learn estly pressed to make the pre-rate dis-ribution contemplated and provided for in the third sec | tion of the law. Both he and yourself request me to furnish an efficial opinion as to the proper reta det as dise ter- and pumbed a er may and equitable construction of said act-regard adude to the presence and the depredations of a careful observer can detect. to the failure of the sheriffs, in numerous counties, to make settlements with the auditor, owing to the presence of the enemy in such force as to to prevent, or at least to delay, the collection of

There is some ambiguity certainly on the face of the act. In one or two particulars, it is difof construction, to reconcile its various provisto the formality or ceremony to be observed in The lat section refers specifically, to the application of the fund arising from the tax-viz: For the support of desuture families, dependant wholly or in part, upon the volunteers who the 1st day of March, 1862 Whilst the whole as in traper; the number encolled a d scopped d. the let day of March, 1862. Whilst the whole it gits point for which report is made the number number furnished by each county is to be thus sent forward to regiments, and the total remaining it ascertained and reported to the auditor—and number furnished by each county is to be thus and make such allowances as may be authorized made the basis of the pro rate distribution which he is required to make to the several

There are some other points not so easily diswhich the lists, showing he number of volunte-rs in each county, are to be certified to the make the pro rate distribution of the fued is. Officers of the militia civil imagistrates and loyal est. settlement of same by the steriffs or collectors the appointed mode. have the required to med in the execution of the issue with the auditor, and which applies to and government and particularly considered with the suditor, and which applies to and government and particularly considered with the suditor, and settlement of the collection and the collection and settlement of the collection and settlement of the collection and the collection and settlement of the collection and the collectio imposed by this act is, "within thirty days after Military communders and provest m rehas and the first day of July," of the fireal year which instructed to furnish lists of conscripts residing began on the first day of May, 1961. But the their respective turi-dictions, who shall not have auditor informs me that the boards of police in several counties have never sent up the certi field bars of volunteers from their counties, and tion of parties of rangers, raced within the limits of mis-district since the 16th of April 1862 and conscripts who ed with the list of insolvent tax payers, so as to be able to determine what allowance to make be sent under tharge of a commissioned officer who will them, or in making said pre-rate distribution earry a descriptor roll of earl conscript containing. A most sectors difficulty is thus presented, and one wi ich cannot be obviated by any tule of Dixie construction which can be applied to the terms No exemption to these requirem ats will be recog of the act. The mode of proceeding is a very
